## Product Descriptions

### Directors & Officers Liability

Protects directors and officers against allegations of negligence, mismanagement, errors and omissions. Additional A-side coverage options are also available.

### Professional Services Liability

Protects the insured against suits arising from the "professional services" offered to customers; e.g. brokerage services, insurance services, depository services, etc.

### Lender Liability

Protects the insured against suits brought by borrowers or guarantors. The "Broad Form" Endorsement expands coverage to suits brought by other individuals or entities.

### Securities Liability

Covers the company against suits stemming from the purchase or sale of company securities, including individual actions, class actions and derivative actions.

### Employment Practices Liability

Protects the insured against suits alleging Harassment, Discrimination, Wrongful Termination and other employment-related matters. Coverage for "non-employee" (third-party liability) suits is available for an additional premium.

### Fiduciary Liability

Protects the insured against suits for actual or alleged breaches of fiduciary duties with respect to any Employee Benefit Plan, including obligations, and responsibilities imposed by ERISA, COBRA, HIPAA or similar federal, state or local laws, and negligent acts, errors or omissions in the administration of Employee Benefits.

### Financial Institution Bond

Provides the fidelity bond and other fraud coverages financial institutions face doing business in the 21st century.

### Excess Liability

Protects the insured if the financial institution's underlying limits have been exhausted for loss(es). Coverage can be applicable to both insured persons as well as the company. Follow form coverage over dedicated or shared underlying limits.

### BOP, CPP, Workers' Comp & Umbrella

Most ISO coverages are available, enhanced with the Advantage and Advantage Plus endorsements.
